

Dear Resident

**Albury Wodonga Hume Freeway – Ettamogah to Murray River  
Night works and closure of Bridge Street to install substructure for new rail overpass**

Abigroup has been contracted to design and construct the Albury Wodonga Hume Freeway from Ettamogah to the Murray River. Major construction commenced in June 2005 and the freeway is currently scheduled to open to traffic in mid 2007.

The Roads and Traffic Authority (RTA) is managing the project in NSW. This section is fully funded by the Australian Government.

**The substructure for the new Bridge Street rail overpass is scheduled to be installed from Tuesday 27 December 2005 to Friday 30 December 2005.**

**To minimise disruption to rail services, this essential activity will require some work out of the normal construction hours.**

For this period work is currently scheduled on the following days:

- Tuesday 27 December from 4.30am to midnight.
- Wednesday 28 December from midnight to 11pm.
- Thursday 29 December from 7am to 5pm.
- Friday 30 December from 7am to 5pm.

**Every effort will be made to minimise the impact of works. Noise and vibration will be monitored in accordance with the project's environmental management plan.**

**Bridge Street from west of the Schubach Street roundabout to west of the rail underpass will be under traffic control during this activity. Bridge Street will be temporarily closed and reduced to a single lane at times in the interests of safety.**

**The Bridge Street site engineer is contactable during after hours work on 0410 442 018.**

Abigroup apologises for any inconvenience this work may cause. If you would like to know more about this or any other aspect of the project, or if you have questions about Abigroup activities, please call the **community information line on 1800 674 934 (24 hours, toll free)**.

Alternatively you can email **albury@abigroup.com.au**, write to the address below, or call in to the project display centre on Dalling Road. The display centre is open Monday to Friday from 9am to 5pm (excluding public holidays).

The project's independent environmental management representative is available during business hours on 6023 3799.

Abigroup's environmental management team is available during business hours on 6049 5400.

Yours sincerely

Carol Bartley  
Community Relations Manager
