

Dear Resident

**Albury Wodonga Hume Freeway – Ettamogah to Murray River
Night works to relocate optical fibre near Centenary Street and Albury Railway Station**

Abigroup has been contracted to design and construct the Albury Wodonga Hume Freeway from Ettamogah to the Murray River. Major construction commenced in June 2005 and the freeway is scheduled to open to traffic in mid 2007.

The Roads and Traffic Authority (RTA) is managing the project in NSW. This section is fully funded by the Australian Government.

Night works to relocate an optical telecommunications fibre will occur on Thursday 15 December 2005 and Friday 16 December 2005 from 10pm to 4am.

The area of activity will be the western end of Centenary Street and the northeast corner of the Albury Railway Station precinct.

The work will involve the use of small power tools, generators, lights and light vehicles.

Every effort will be made to minimise the impact of works. This essential activity will not interrupt telecommunication services.

The site engineer for the work is contactable during after hours work on 0410 442 018.

Abigroup apologises for any inconvenience this work may cause. If you would like to know more about this or any other aspect of the project, or if you have questions about Abigroup activities, please call the **community information line on 1800 674 934 (24 hours, toll free)**.

Alternatively you can email **albury@abigroup.com.au**, write to the address below, or call in to the project display centre on Dallinger Road, east of the Main Southern Railway near the Corrys Road intersection. The display centre is open Monday to Friday from 9am to 5pm (excluding public holidays).

Yours sincerely

Carol Bartley
