

Dear resident

**Albury Wodonga Hume Freeway – Ettamogah to Murray River
Night works to relocate power lines on Corrys Hill near Dallinger Road**

Abigroup has been contracted to design and construct the Albury Wodonga Hume Freeway from Ettamogah to the Murray River. Major construction commenced in June 2005 and the freeway is currently scheduled to open to traffic in mid 2007.

The Roads and Traffic Authority (RTA) is managing the project in NSW. This section is fully funded by the Australian Government.

Night works to relocate 132kV power lines at Corrys Hill will occur on Wednesday 21 December 2005 between 4am and 10pm.

The activity will involve the use of elevated platforms, cranes, small power tools, generators and vehicles. The work is being performed by Transgrid, the owner and operator of the NSW high voltage electricity transmission network.

Every effort will be made to minimise the impact of works. This essential work will not interrupt the local supply of electricity.

The site engineer for the work is contactable during after hours work on 0428 260 572.

Abigroup apologises for any inconvenience this work may cause. If you would like to know more about this or any other aspect of the project, or if you have questions about Abigroup activities, please call the **community information line on 1800 674 934 (24 hours, toll free)**.

Alternatively you can email **albury@abigroup.com.au**, write to the address below, or call in to the project display centre on Dallinger Road, east of the Main Southern Railway near the Corrys Road intersection. The display centre is open Monday to Friday from 9am to 5pm (excluding public holidays).

Yours sincerely

Carol Bartley
