

# TRAFFIC ALERT

Contact: Carol Bartley, 0412 994 800

*Albury Wodonga Hume Freeway  
Ettamogah to Murray River*

## **Borella Road works to improve East Albury traffic conditions**

Activity will soon commence at two Borella Road locations to improve East Albury traffic conditions.

Work to increase the storage capacity for vehicles turning right from Young Street into Borella Road will commence on Saturday 18 March 2006. The turning bay at this location will be extended by approximately 50 metres after adjustments to the median.

The turning bay works will occur over the next two weekends and reduce congestion at this busy intersection with the Hume Highway.

A traffic controller will regulate Borella Road traffic flow at the Schubach Street intersection during the morning peak (7.30am to 9am) from Monday 27 March 2006 until the roundabout at the intersection is completed in June 2006.

This temporary traffic control will provide regular opportunities for motorists to turn left from Schubach Street into Borella Road prior to the operation of the roundabout.

Both measures are being implemented following discussions between AlburyCity, stakeholders and the project team concerning the upcoming closure of the Dean Street overbridge to vehicles.

The Dean Street overbridge will be closed to vehicles on Monday 27 March 2006. The crossing will remain open to pedestrians as a full mobility access to and from East Albury until completion of the new freeway pedestrian bridges.

Motorists, pedestrians and cyclists are asked to observe all signage and traffic control directions at freeway work sites to ensure public safety.

Abigroup regrets any inconvenience caused by these changes to traffic conditions.

If you would like more information about the construction of the Albury Wodonga Hume Freeway, Ettamogah to Murray River, please call the Abigroup community information line on 1800 674 934.
